

Team Meeting 11/13

**WHEN:** Wednesday, November 13th, 5:00 pm

**PURPOSE:** Discussion/Finalization of Lexer and Abstract Syntax Tree components, discussion of implementation of Parser components

**ATTENDANCE:** Kristoffer Comahig, Drew Franke, Owen Berkholtz, Gael Salazar-Morales, Axel Bengoa, Quinn Westrope

#### Agenda

- ☒ Discussion/Finalization of Lexer and Abstract Syntax Tree components
- ☒ Discussion of implementation of Parser components

#### General Notes

In person meeting

Abstract Syntax Tree

    Add a Exponent Node

    Add a Modulo Node

Lexer

    Move forward with Gael's skeleton for the component

Parser Implementation

    Everyone will write their own implementation of the three Parser functions (or however, they may decide to do it) and we will compare notes on a final implementation next meeting
