Team Meeting 10/9
WHEN: Wednesday, October 9th, 5:00 pm
PURPOSE: Requirements Engineering Phase Check-In
ATTENDANCE: Kristoffer Comahig, Drew Franke, Owen Berkholtz, Axel Bengoa, Gael Salazar-Morales, Quinn Westrope, Bryson Toubassi (EVERYONE)

Agenda
- ☑ ~~Determine whether use-case UML diagram is necessary~~
  - ☑ ~~Complete UML use-case diagram or finish use-case specification template depending on the group consensus~~
- ☑ ~~Check in regarding other sections of the Software Requirements Document.~~

General Notes
　　Discussed/looked over 1.3, completed section 3.2 after making a decision to simply utilize a use-case specification template rather than a UML diagram, discussed the meaning of and plan for software interfaces
